Coonara Warranty

All current Coonara gas heaters are warranted to be free from defects in material and workmanship under normal use and service. The warranty of the actual firebox and heat exchanger is 5 years – to the initial purchaser. All other components (except accidental breakage of door glass) are warranted for a period of 24 months. Coonara gas log fires are designed and tested for use with Coonara manufactured flue kits. For the full warranty statement refer to the relevant Installation Manual or our website www.coonara.com.au or from your Coonara dealer. Shamic goods come with guarantees that cannot be excluded under Australian Consumer Law. The purchaser is entitled to a replacement or a refund for a major failure and compensation for any reasonably foreseeable loss or damage. The purchaser is also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Note: All Coonara heaters must be installed by our authorised installers to be covered by our warranty statement.
